

**CONSTANT GOD** - Whatever the thought, the deed, the possibility - there is God, always there, knowing our thought and awaiting our request for His insight.

## The Hieroglyphic

---

The red . . . you don't notice that it is everywhere because it is. The cap is all red, only those seven black bars in the back are not red.

There is a message there, all can read it. It is written in a universal language, **JESUS**.

He is literally everywhere. None can hide from Him, no matter their stated position. Without uttering a sound wearers shout that He is Alive!

**Romans 1:20-23** <sup>ETRV</sup> 20 There are things about God that people cannot see his eternal power and all that makes him God. But since the beginning of the world, those things have been easy for people to understand. They are made clear in what God has made. So people have no excuse for the evil they do. 21 People knew God, but they did not honor him as God, and they did not thank him. Their ideas were all useless. There was not one good thought left in their foolish minds. 22 They said they were wise, but they became fools. 23 Instead of honoring the divine greatness of God, who lives forever, they traded it for the worship of idol things made to look like humans, who get sick and die, or like birds, animals, and snakes.
